"BETWEEN THE BOOKENDS"

EDITOR ALPHONSO COOK

EDITOR TROY JOHNSON

SPONSOR MRS. RUBY MEDLEY

Every yearbook needs a theme to bind the book together. Its use on the cover, the endsheets, in the copy, the headlines, the artwork, and the style of lettering is done for the purpose of developing the theme.

This year's theme, "Between the Bookends", is meant to represent our high school years of life: childhood—in the past; the future—undefined. Our use of the Trojan-head bookends on the cover, the thumbs on the endsheets, and the bookworms drawn throughout the book are just a few examples of how we developed this year's theme.

It is our hope that the 83-84 school year has been captured within these pages, and that in years to come, you will return here and find many happy memories.

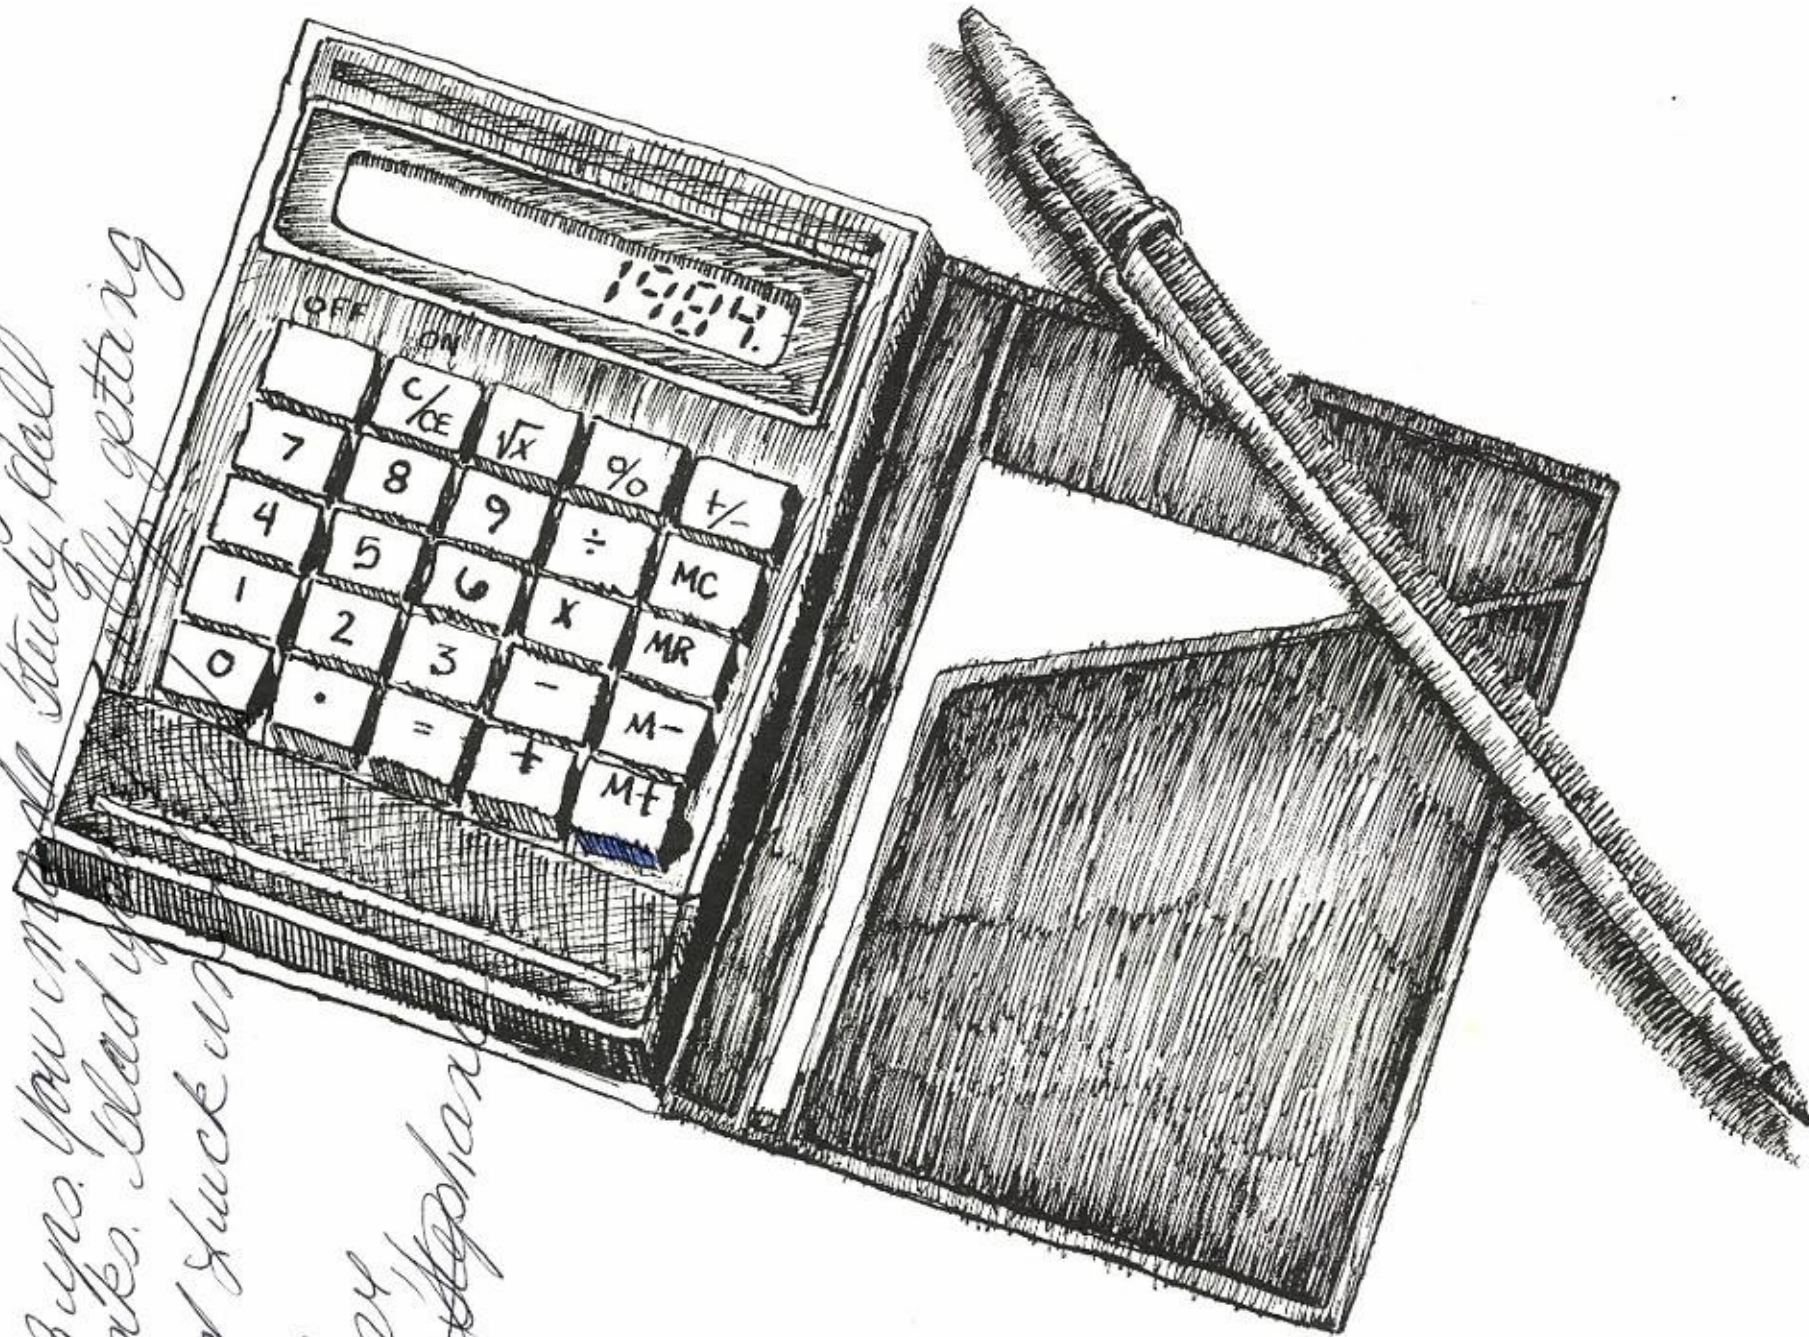

The 83-84 Southerner Staff

Your Friend,
 Dan Murphy
 Dan "87"

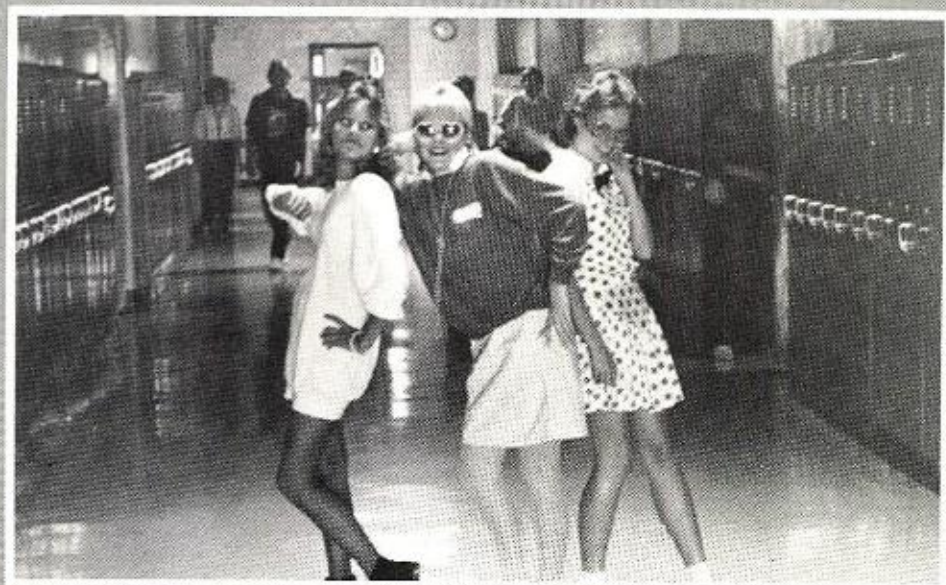

As you take this book from the shelf,
Sit right down, and examine yourself.
See how you've changed as you turn the
page,
Have you reached all the goals as you grew
in age?

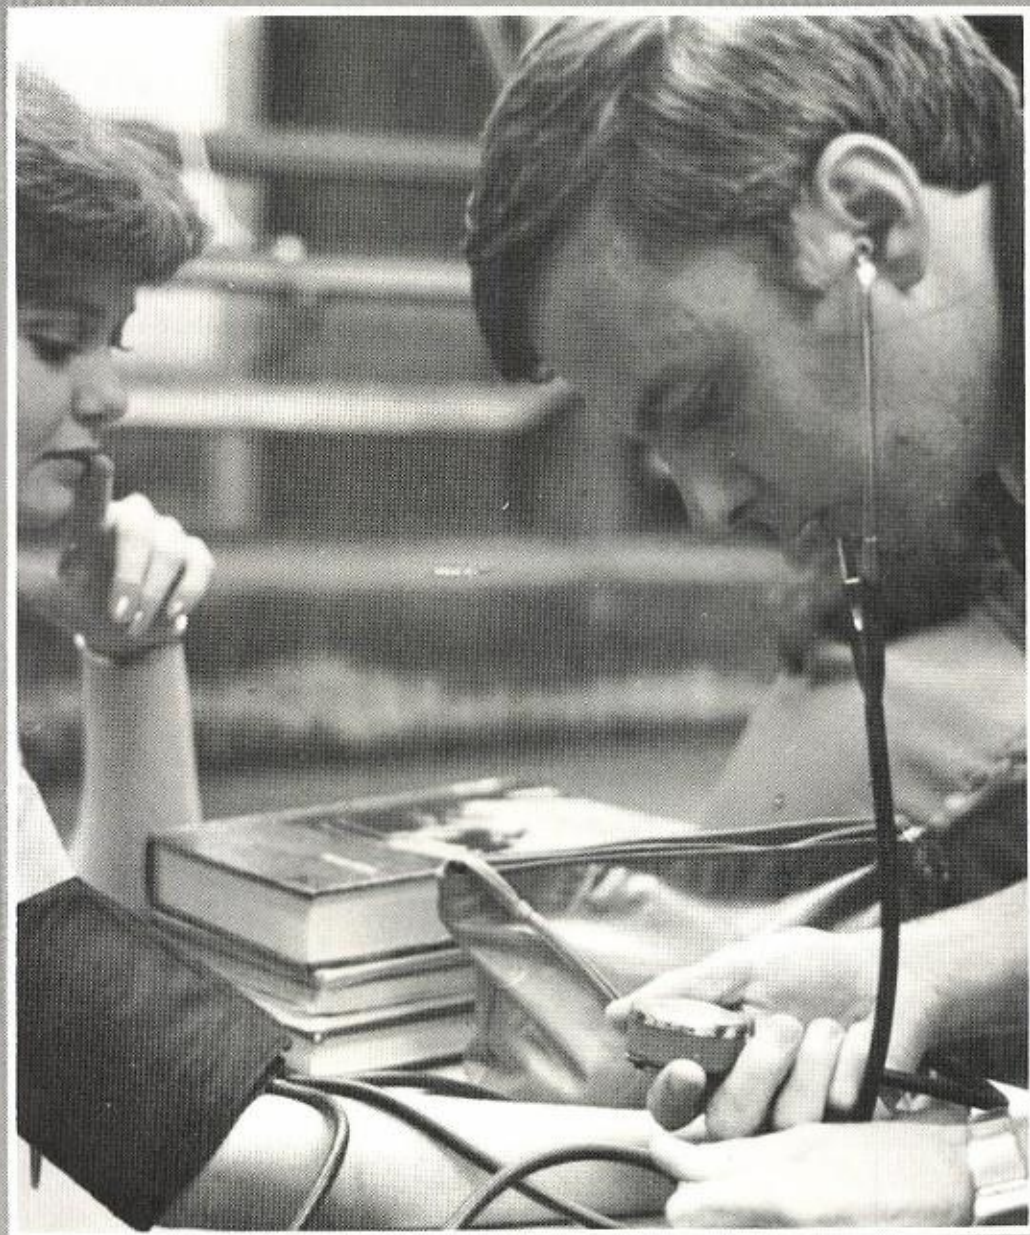

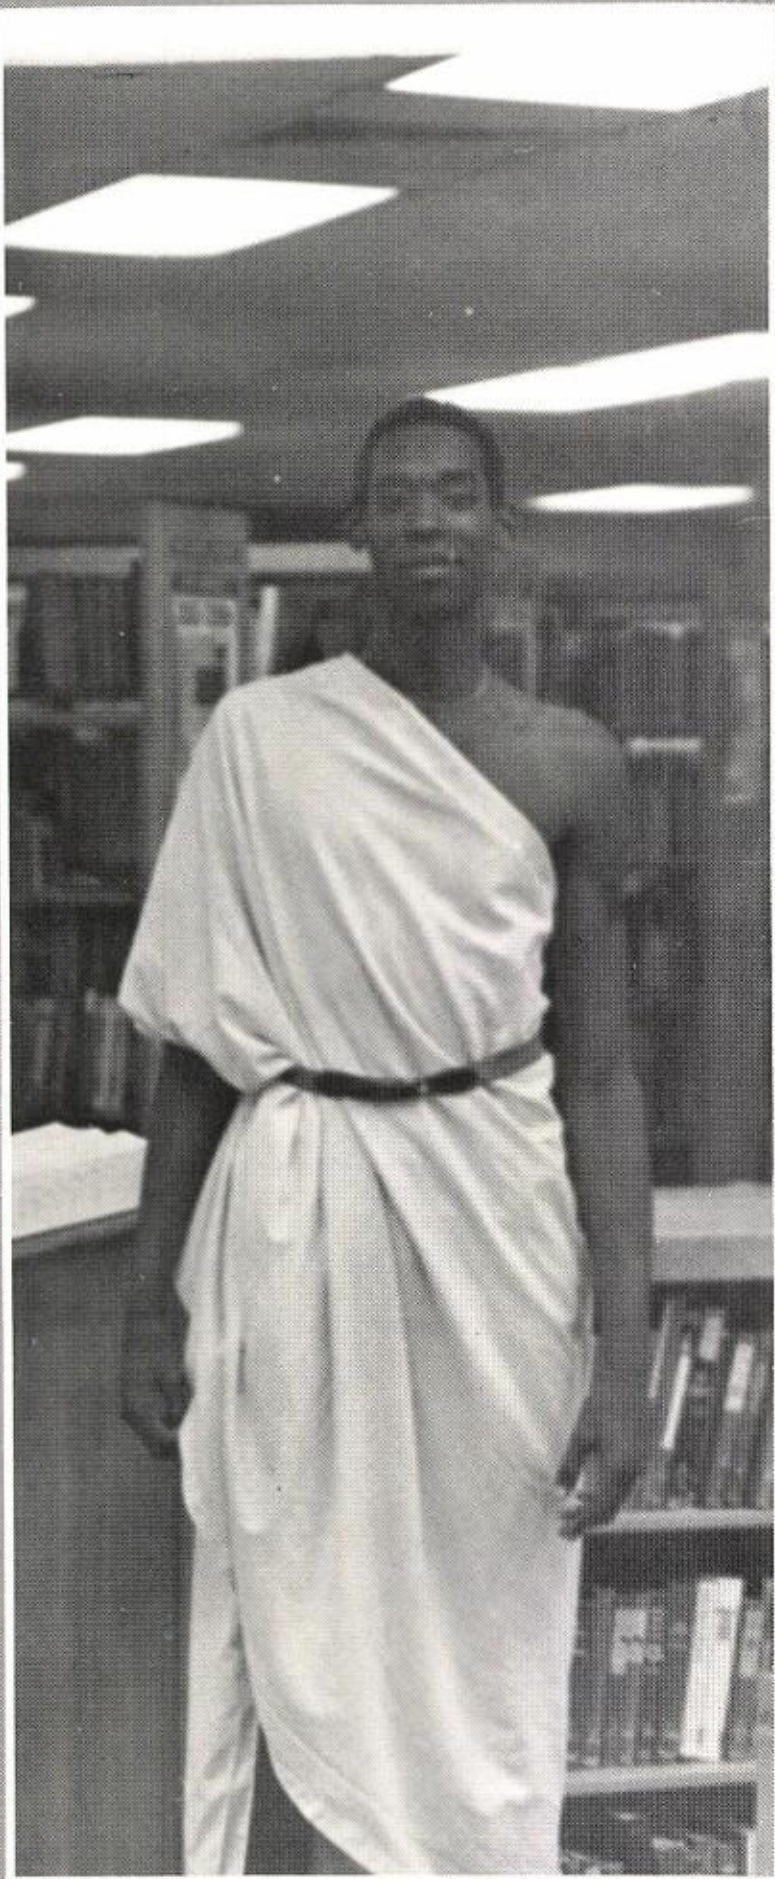

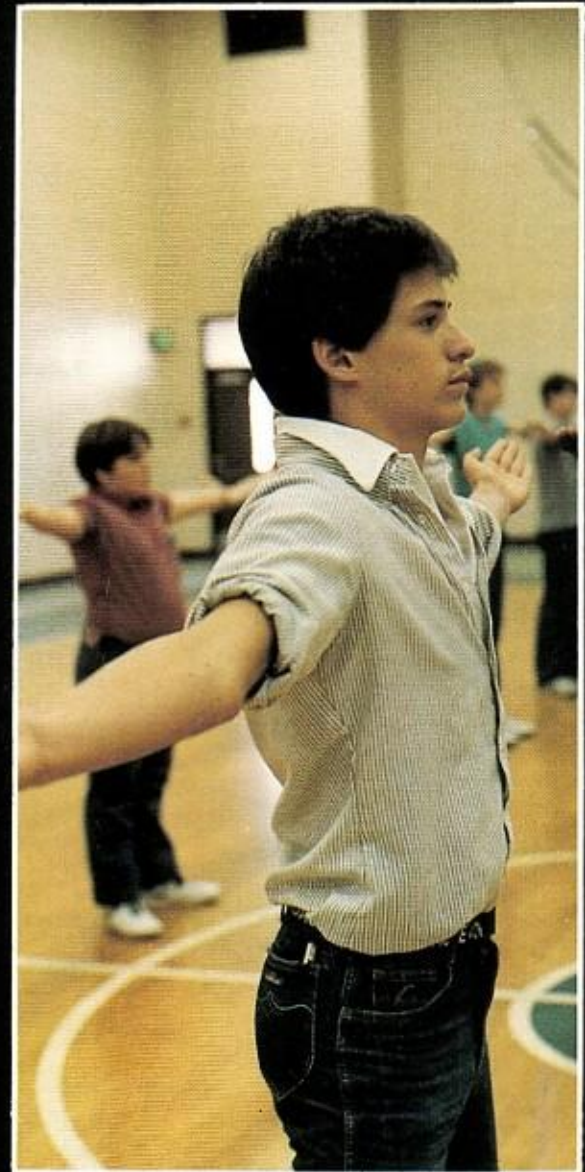

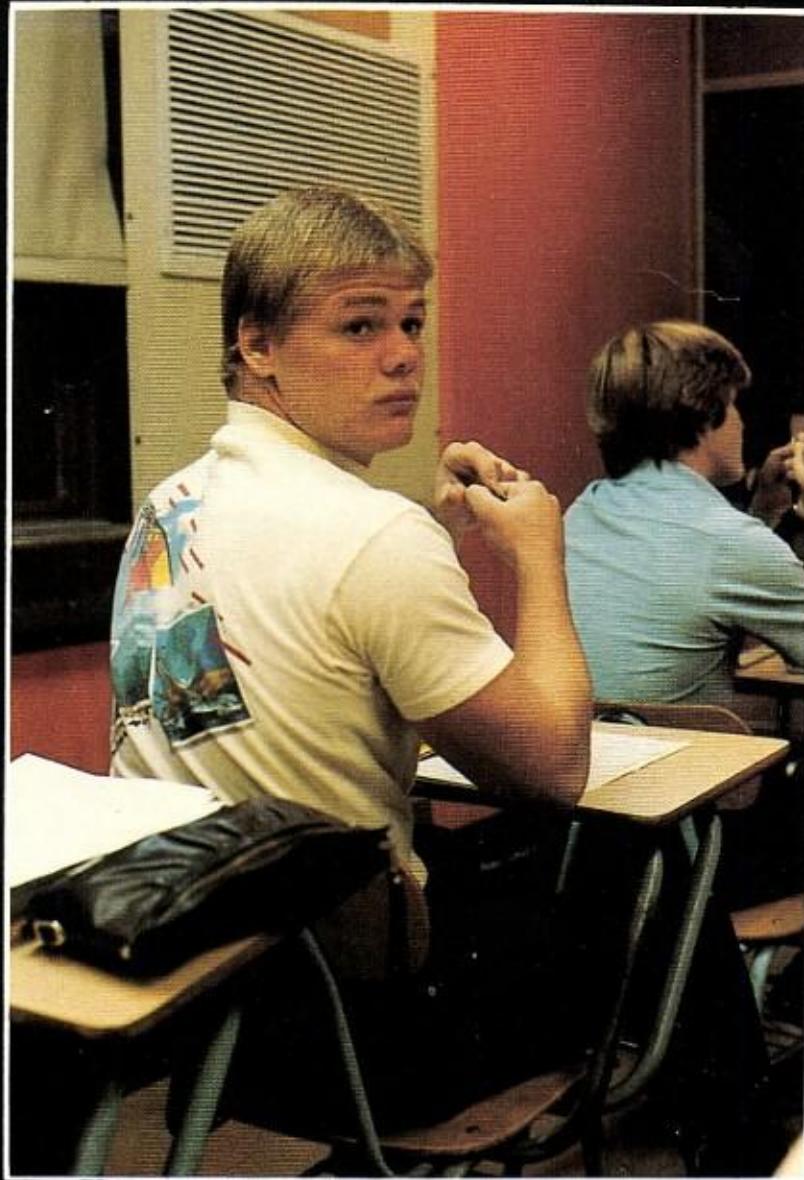

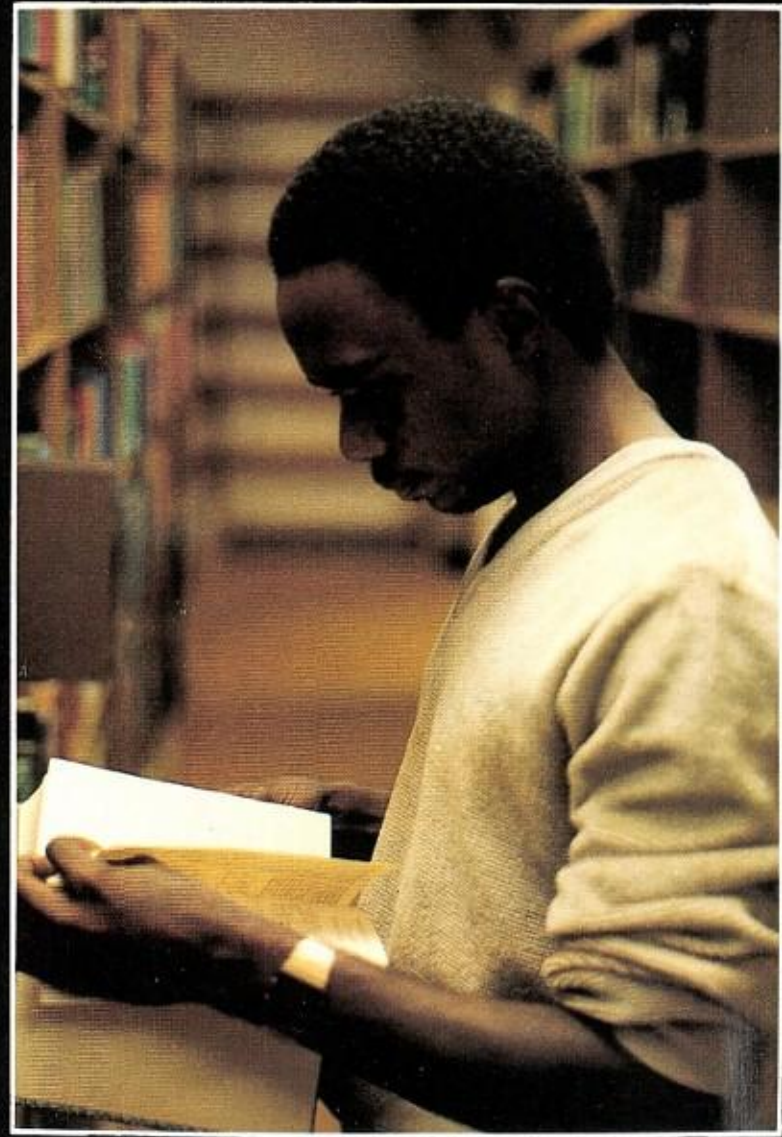

This book represents the moments of your youth,
The time that you gave and the effort you put forth.
One day you will realize you're not so young,
And soon you will wish life had just begun.

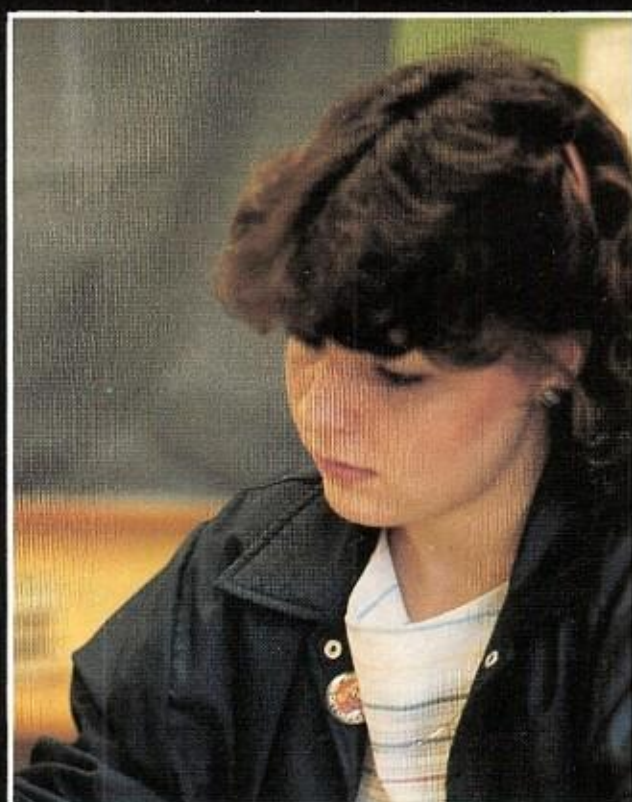

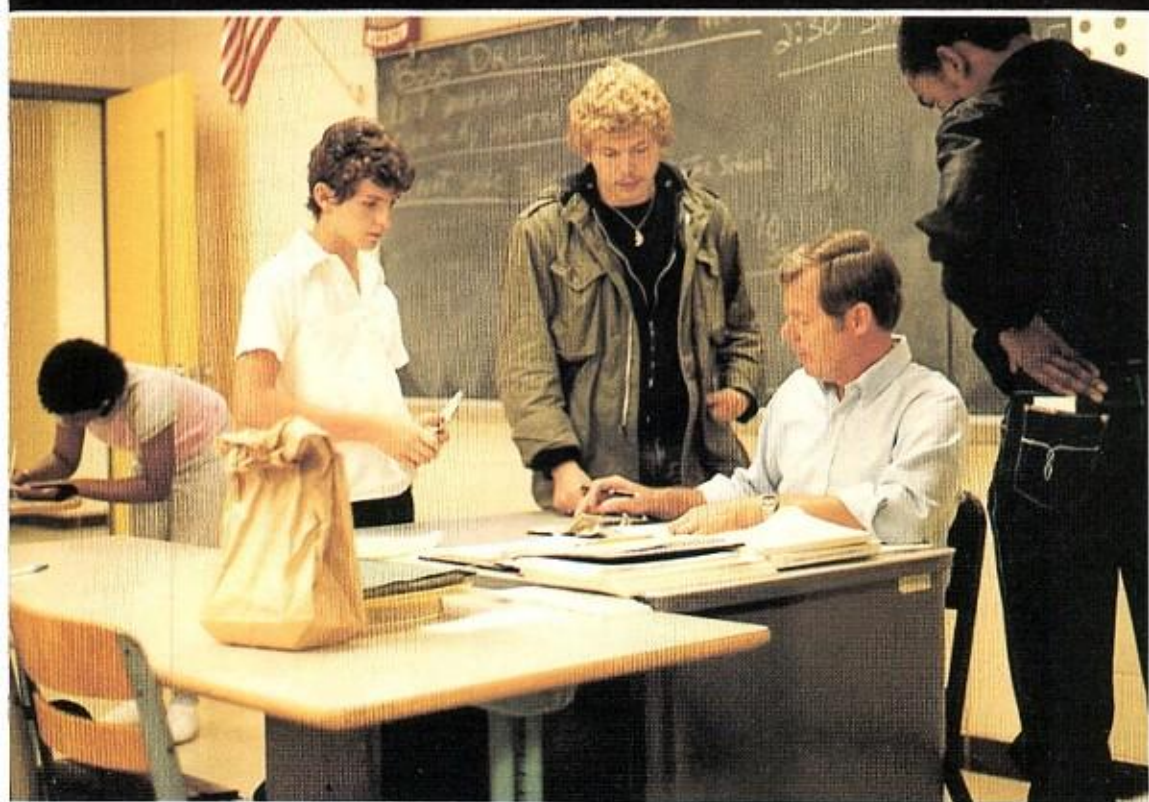

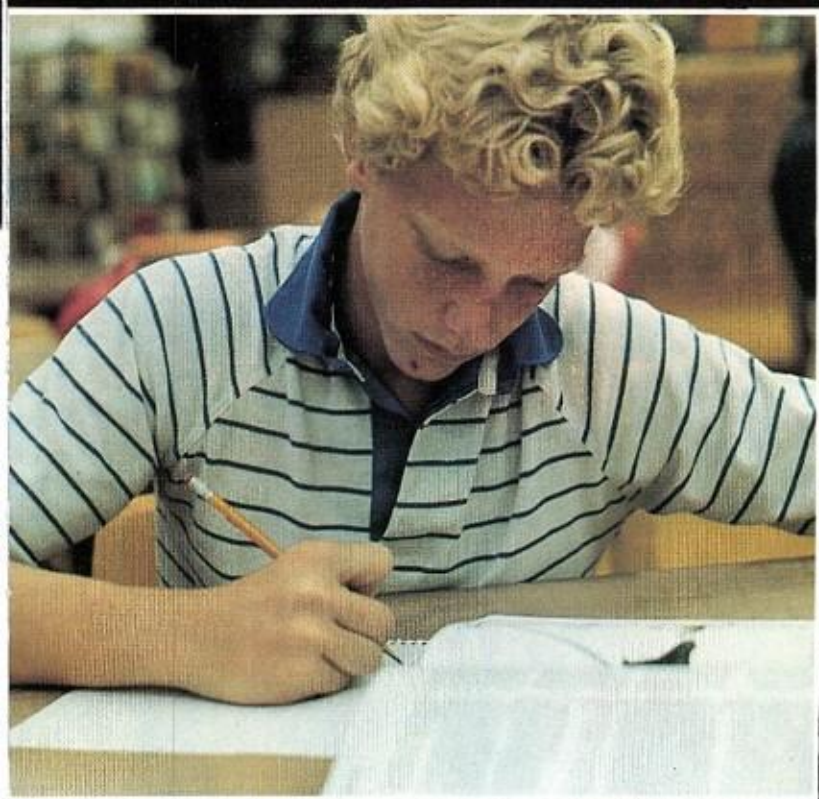

The books you disliked so long ago,
Are really the books that helped you grow.
As you read this annual and the words within,
You can see how you were and where you
have been.

The people you met and the friends you have known,
May have faded away as older you've grown.
Yet between these bookends, the memories
will shine;
You will remember the times you left behind.

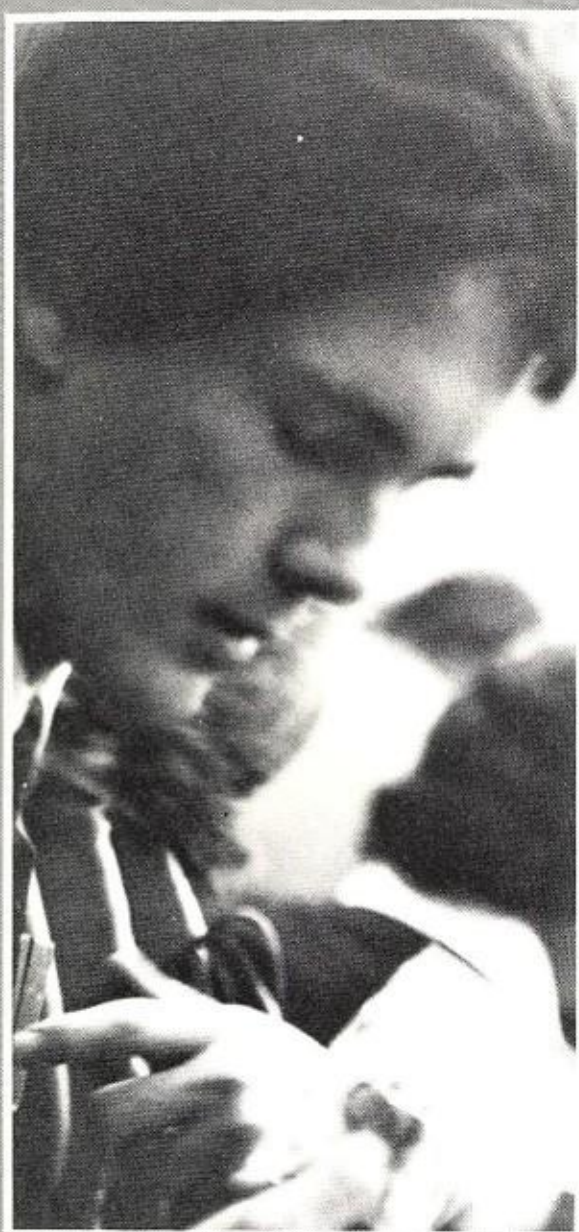

SENIORS OF 84'

The graduating Class of 1984 officially became Seniors on June 1st, 1983, by receiving their traditional Class Rings. As in the past, becoming a Senior meant a great school year lay ahead and would always be cherished for many years to come. Congratulations Seniors, We Made It!

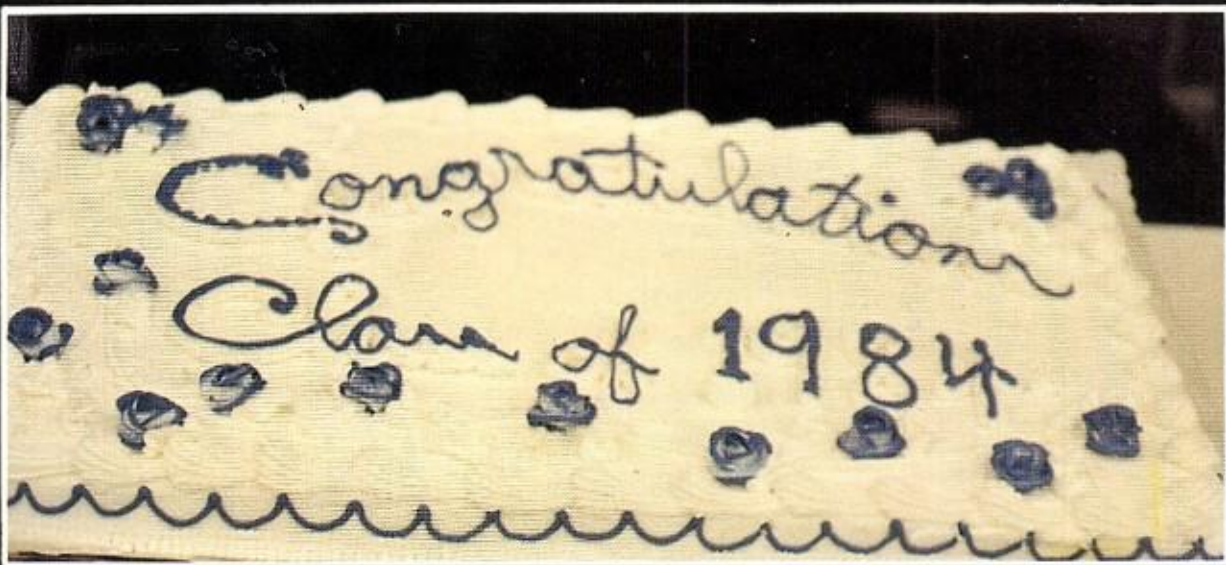

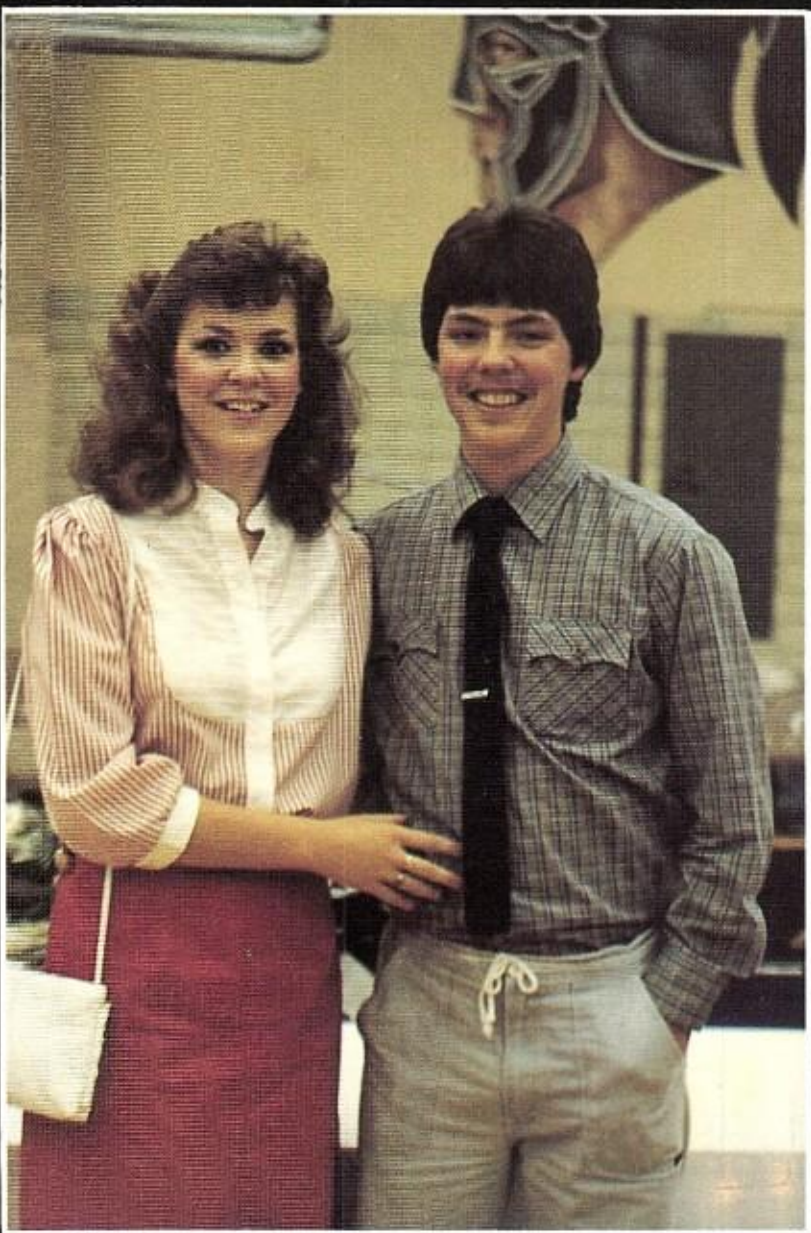

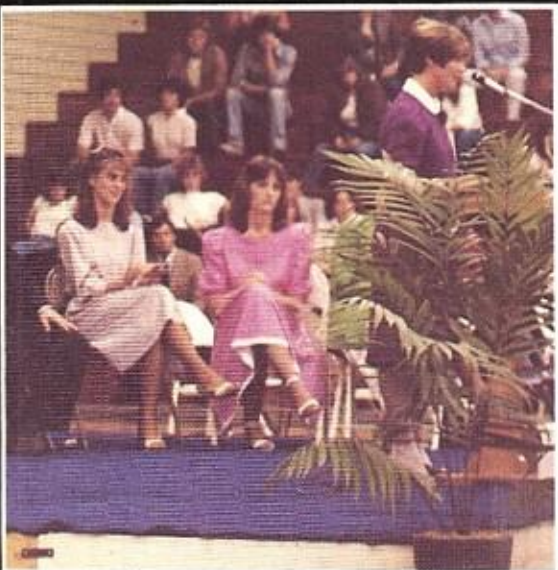

Kathy, Jennifer, Cheryl and Rhonda show their rings off.

Entertainment was provided by Yolanda Watson.

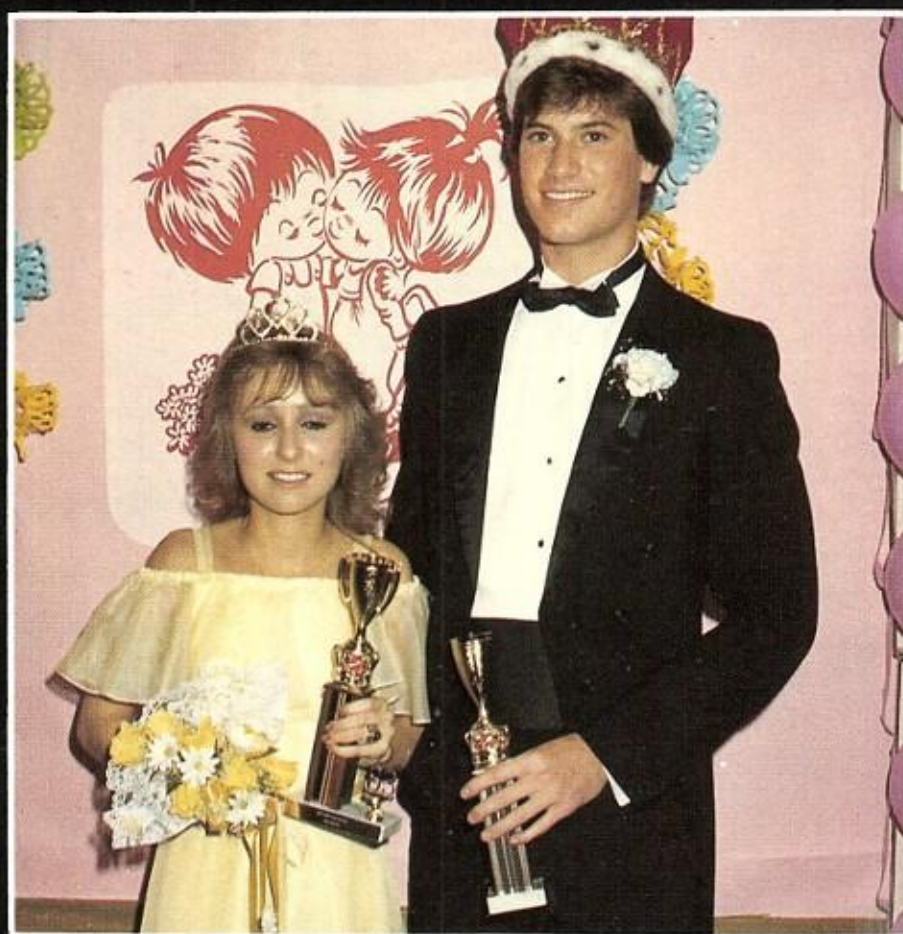

The 1983 Junior-Senior Prom

Seniors get involved

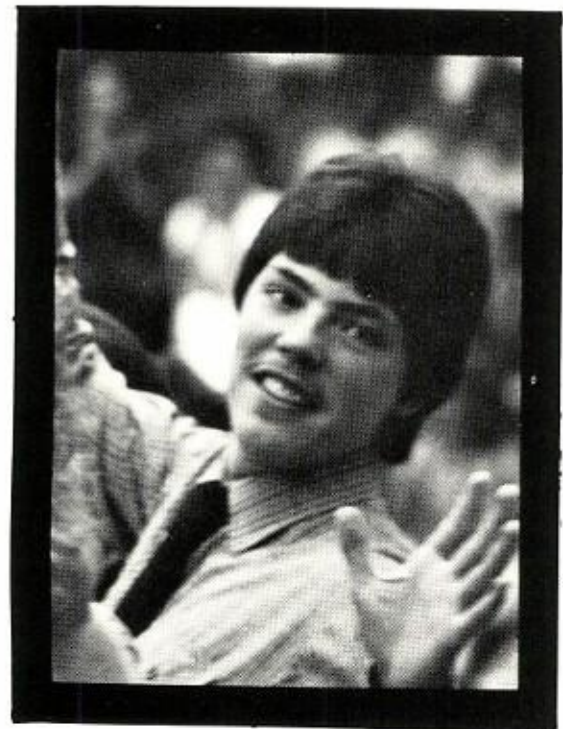

The Seniors displayed the true meaning of "Purple Pride" throughout the school year. From fund raising to cheering at games and at pep rallies, the seniors helped to make Southern a school to be proud of. Although this class will be gone next year, their style of "Purple Pride" shall always remain.

SENIORS

SENIOR CLASS OFFICERS

The Class of '84 has set the new social standards of interweaving good output in school and having a great time. The Seniors of '84 have shown the faculty and the underclassmen what a real senior class is. The class of '84 has also begun to revive a forgotten trend: A class that sticks together to achieve the finer points of school life.

Larry McKinley
Senior Class President

Larry McKinley, President; David Lindsey, Vice-president; Cindy Bastin, Secretary; Troy Riggs, Treasurer.

SENIOR EXECUTIVE COUNCIL

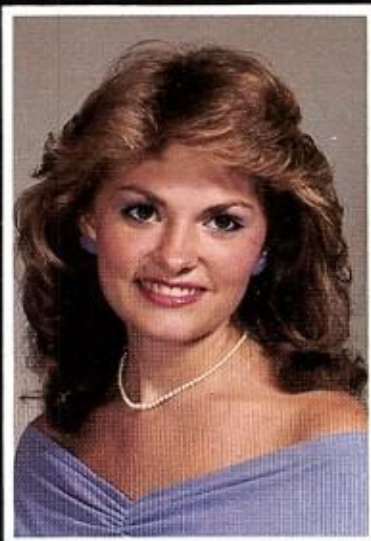

First row: Kris Smith, Todd Ewing, Shelley Reece, Butch Bibb, Lisa Drury, Second row: Tammy Bradshaw, Aundra Lipcomb, Janet Hawkins, Michelle Payne, Kenya Short, Back row: Mike Ratchford, Lisa Carpenter, Larry Biles, Tommy Gray, Larry Buckel.

The Senior Class and the faculty have chosen ten people on the basis of character, leadership, outstanding personality, and scholastic achievement who best represent the graduating class of 1984 at Southern High.

The Senior Superlatives are those students who have displayed an outstanding personal characteristic throughout their relationships with their fellow students. Twelve categories were chosen this year.

We believe that these characteristics are possessed by every member of the class of 1984, therefore anyone already elected to Top Ten were not eligible for a superlative also.

She has played Varsity Volleyball all three years; and each year was said to be better than the year before. She is a member of the 1983-84 Yearbook Staff, and one of her main goals is to help make "1984" the best year ever. She feels that Southern has helped her greatly in planning for her future. She plans to attend the University of Louisville, but she is undecided on her career plans, possibly something in the medical field. Her favorite memory is all the fun she had in photography and all the fun she had with her friends.

The underclassmen of Southern made up a large and important part of the student body. Although they were sometimes forgotten, they had a strong sense of pride in Southern. Without their cheers at pep rallies, attendance at games, and support of their school, Southern would not have had the "Purple Pride" it possesses.

FACULTY

TO THE CLASS OF 1984:

As I write this message we have just returned from the Christmas break and we have ahead of us the coldest part of winter. It is a proper time to think about graduation, measuring for caps and gowns, ordering announcements, and the prom. As we think about these things we also begin to realize the end of public education is just ahead for you.

I know you are happy about this as we are, but your leaving is also a bit sad for us who have worked with you since you arrived at Southern. I am happy to say that many of you I know personally and have enjoyed a special association with you, especially here in your final years when you matured to a level that was not possible as you entered the ninth grade. Believe it or not, there is a tremendous change that comes over you in four short years.

So go from us now, but let us, as some of the great poets have suggested, remember the good, the pleasant, the positive, and the fun we shared together while you were here.

The sports offered at Southern this year helped students have fun, as well as giving them the opportunity to compete with other athletes. These sports also gave other students a chance to gather together at games to support their team. From basketball to football, from tennis to soccer, each student found a sport that they could enjoy.

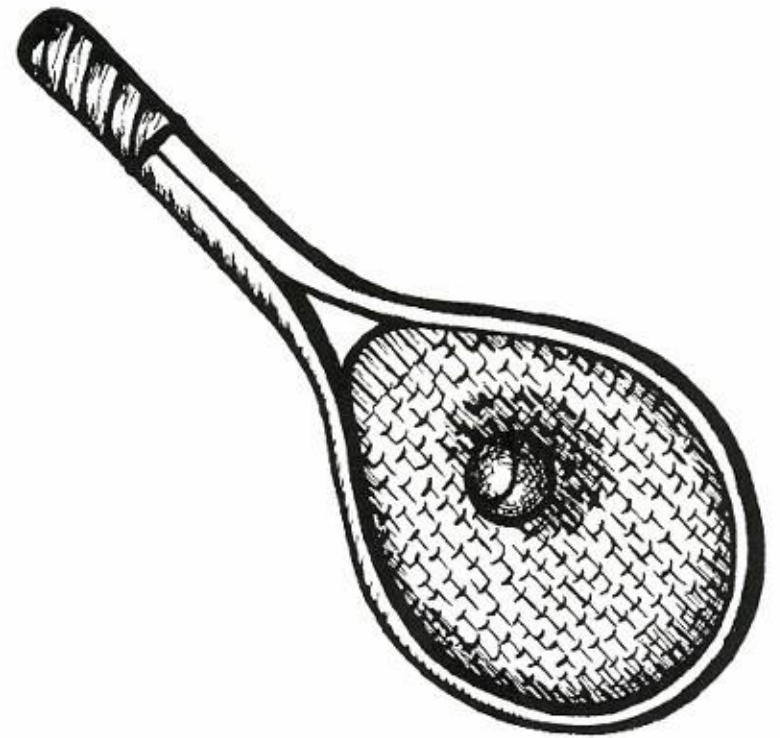

S P O R T S

THE LOVE STORY

Girls Tennis

The girls' tennis team was a new experience at Southern this year. This was the first team that was able to compete in five years. Some of the girls had never played tennis before and Mr. Lamb, the boys' tennis coach also, was very proud of all the girls. Their effort was really outstanding. Although they had a losing season, the girls represented the school very well. They were young and should improve tremendously by next season. Rhonda Bagley and Anne Recktenwald had excellent individual records and will be returning next year. Their enthusiasm and excellent ability will give the team the strength they need to be more competitive.

FOR THE LOVE OF IT

Boys Tennis

The boys' tennis team was extremely young and inexperienced. Its 2-9 record did not indicate its competitiveness, since five of its nine losses were by one point. With the experience the team gained this season, Mr. Lamb, the team's coach, is looking forward to a good year in 1984. Southern will move to a new region in 1984. The new region consists of teams of the same caliber. The team will be playing in more matches with the state tournament as a goal. Troy Johnson will be the senior leader with the most experience and should prove to be one of the best in the region.

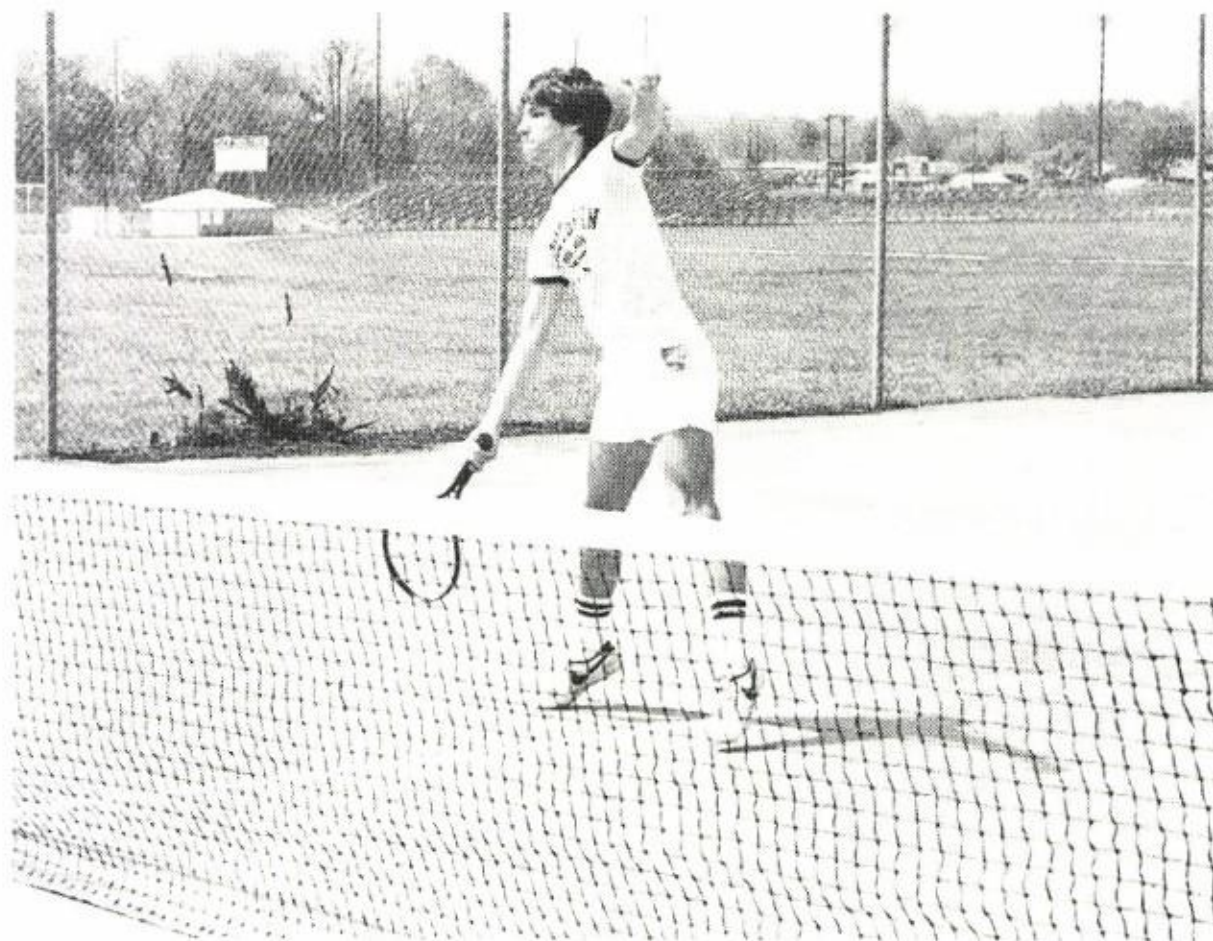

Coach Lamb, in his eighth year, feels good about the coming season.

DIAMONDS ARE FOREVER

Varsity Softball

The Lady Trojan softball team had another outstanding season in 1983, compiling a 18-3 record overall. The Lady Trojans fell just one game short of advancing to the State Tournament in Lexington, losing to P.R.P. 10-9 in the end. This was only the third year of softball in Jefferson County and was only the first year for a state-wide softball tournament.

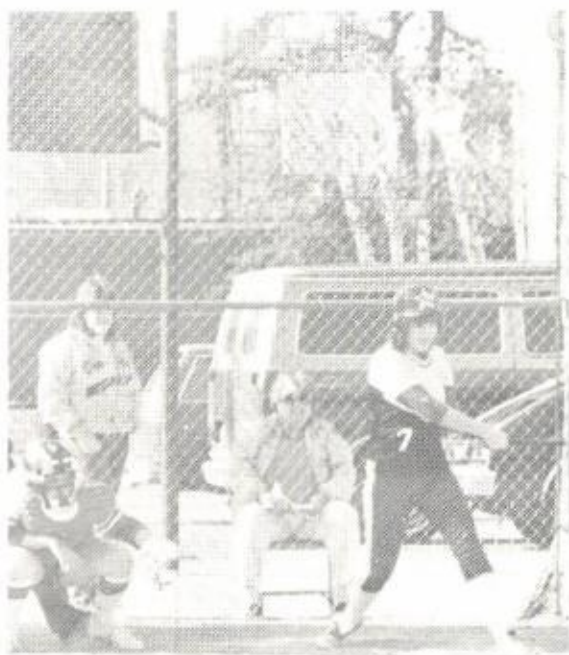

The 1983 team was made up of 4 Seniors, 3 Juniors, 6 Sophomores, and 2 Freshmen. The loss of the seniors is always felt, but with the return of experienced players and a good crop of incoming freshmen, the Lady Trojans of 1984 look to be more competitive than ever, next year.

THE FIELD GENERALS

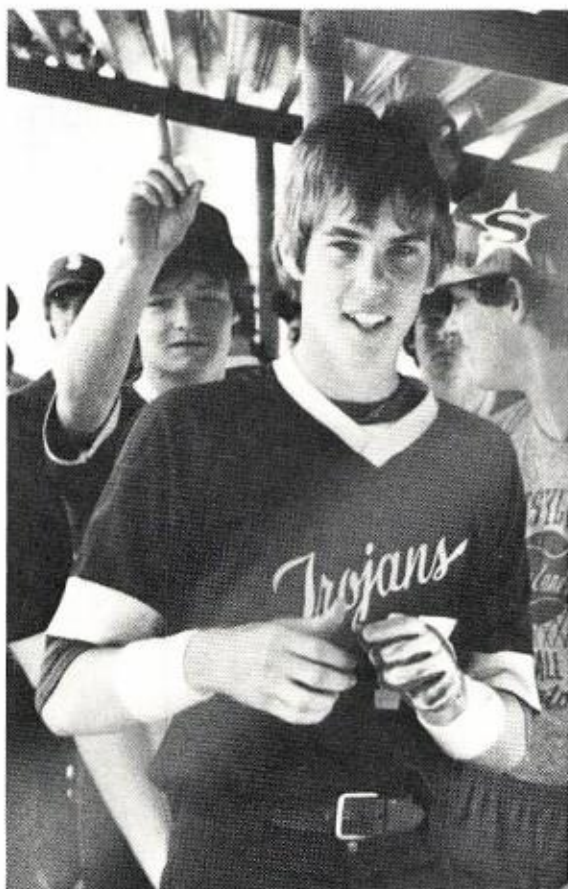

Varsity Baseball

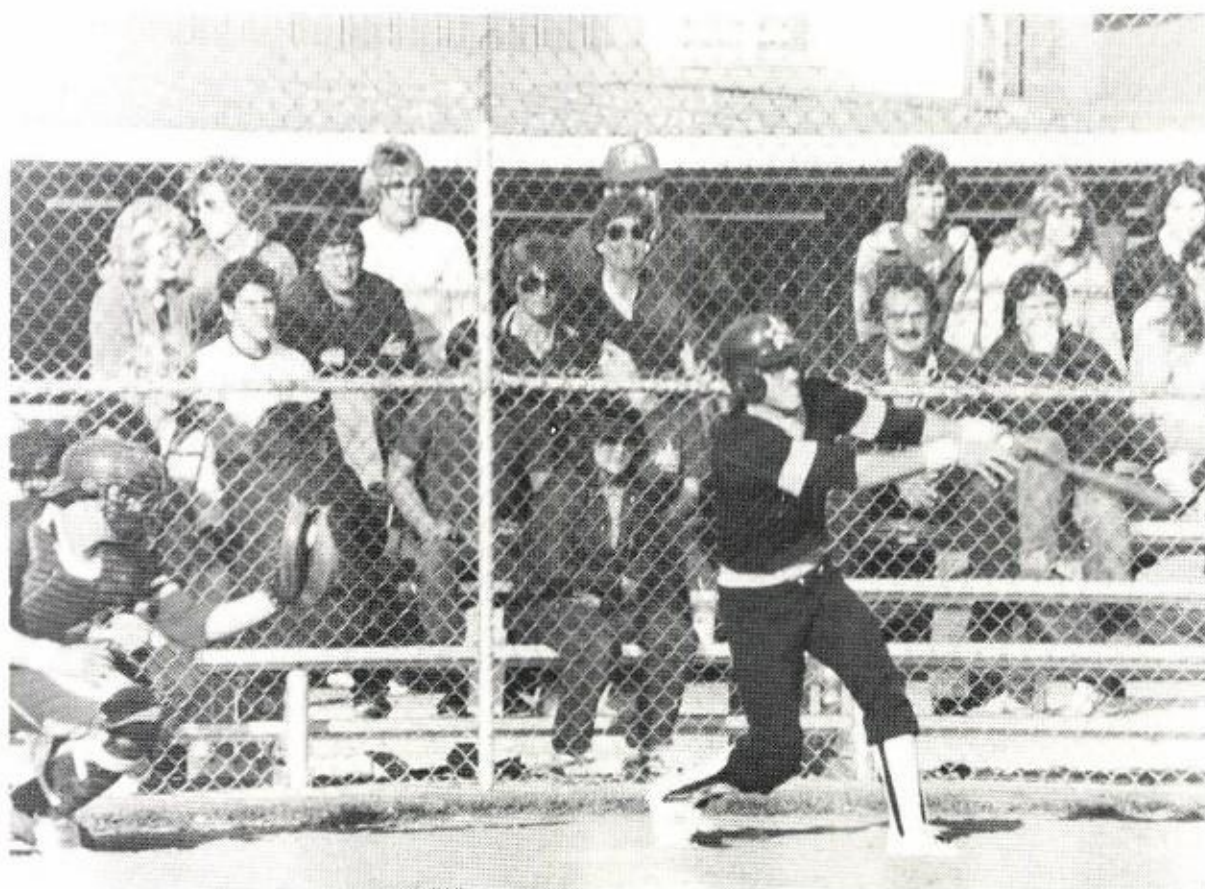

1st Row L to R: J. Detalente, D. Barbiea, C. Wibbels, C. Kersnick, R. Meece, J. Wilder, B. Bibb, G. Barker, B. Hardin, D. Barbiea, T. Hewitt. 2nd Row: Coach Harrod, T. Dodd, A. Carney, S. Smith, G. Steiger, D. Livers, T. Riggs, D. Long, S. Sandy, R. Waddel, T. Laha.

The 1983 Trojan baseball season was one of the best in Southern's thirty-three year history. The team's overall record was 14-10. They won the tough 22nd District by beating Iroquois and DeSales. They also came in runner-up in the 7th Region losing to Western in a close game 3 to 2. Sophomore David Long had a very productive season, leading the team in hitting with a .396 average. Doug Livers, a junior, took the honors in the homerun department, hitting three. In the pitching category, Andy Carney had the best record with 5 wins and 2 losses. Left-hander Steve Sandy led the pitchers in earned run average with a 1.34. The best overall defensive player was shortstop Tony Hewitt. These are just a few highlights of the 1983 season; each player made great contributions toward the team. The 1984 season promises to be both exciting and successful with the return of 16 experienced players and a new head coach.

The Spring of '83 was a building year for the Southern girls' track team. Although the team did not place highly point-wise in the various meets and invationals, it always looked respectable. The team's young runners usually finished with the leaders, although not quite close enough to get the big points. However, the throwers, jumpers, and runners acquired and improved their skills. Hopefully they will achieve their potential in the coming seasons. Team stand-outs included: Pricilla Hall, Kim Keaton, Susan Hoffman, Shelley Reece, Lisa Whaley, and Autumn Wix.

Row 3: Craig Gaynor, John Terry, Paul Heavrin, Mark Green, Dan DeSilvey, Chris Smith, Mike Steiger. Row 5: Marcus Moses, Dennis Tingle, Darren Washburn, James Grassman, Chris Wagner, Russ Gibson; Coach.

The AGONY of defeat as seen by Mr. Gibson.

This past season was Coach Gibson's first year as the boys' track team coach at Southern. By his own admission, he thoroughly enjoyed working with the young men of the team, and feels that he learned quite a bit from them. With very few returning lettermen, Southern finished a close second in the region, third in the semi-state, and eleventh in the state. Coach Gibson and his entire team appreciate the hard work and dedication of the following seniors, and will miss them and their leadership next year: Garry Embry, James Edelen, and Johnny Webb.

THE TROJAN SPIKERS

Varsity Volleyball

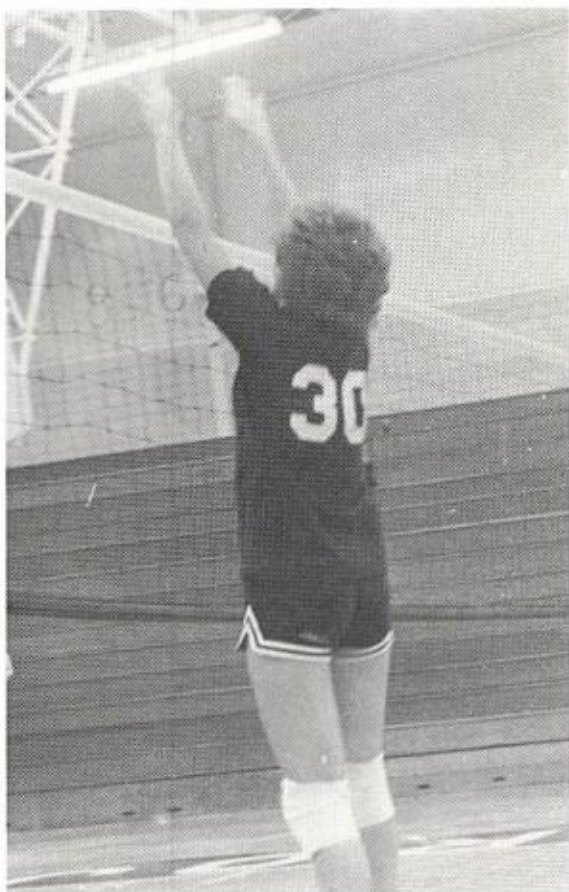

(Left to Right) Row 1: Tracy Mattingly, Angie Simon, Trina Hoskins, Maria Simon, Glenda Matthewson. Row 2: Amy Tutwiler, Donna Medley, Kelly Carruthers, Melissa Hayes, Julie Medley. Row 3: John McCrary, Missy Purvis, Patty Deignan, Tracy Chesire, Gay Tompkins, Coach Welsh.

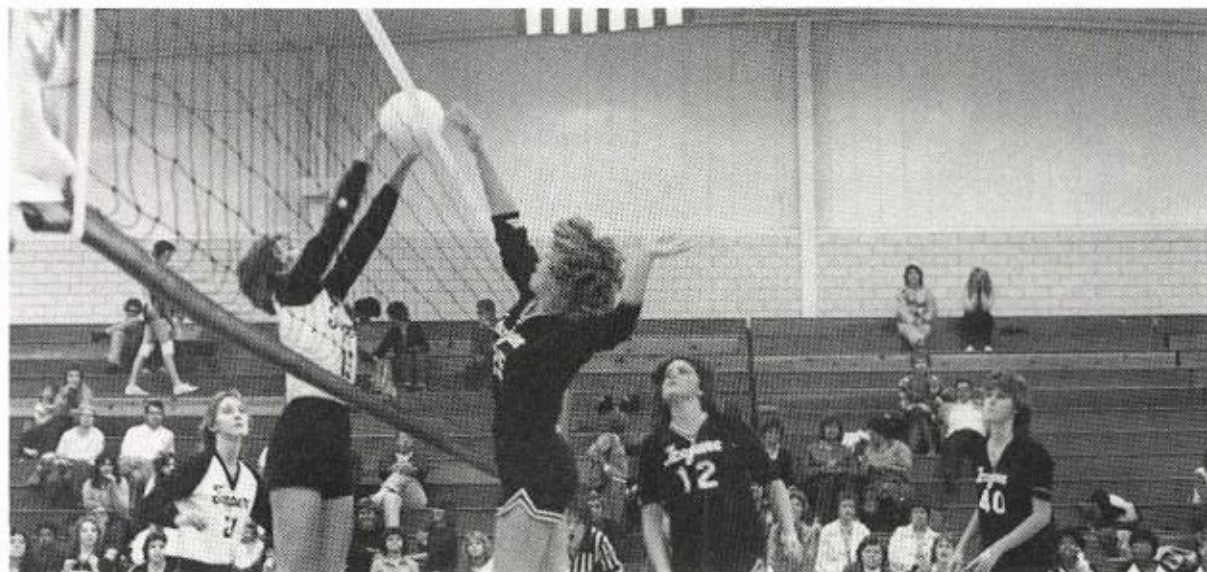

The 1983 Volleyball season, again, was a great success. Though we just barely missed going to the State Tournament, the fight in trying for the chance was worth it! Like any sport, it takes pride and the ability to work together, not only to win but also to have a little fun; this team was successful in that it was able to mix business with pleasure. Five Seniors will be leaving, and their leadership and talents will be hard to replace, but they will have a great influence on next year's squad.

GETTING IN THE KICK OF THINGS

Varsity Soccer

Southern fielded a soccer team this year for the very first time. The team got a late start but really put out a good effort both during practice and during games.

Even though their record (0-9-1), indicates a poor season, it was a learning experience both for the new coach, Mr. Dant, and the new team.

Coach Dant is looking forward to next year with experienced players returning and hopefully a soccer field located here at Southern.

Coach Dant wants to thank the administration, the parents of the players, and especially Mr. Watkins for his support in this first year of soccer at Southern.

THE RACE OF WINNERS

Girls Cross Country

The girls represent Southern well.

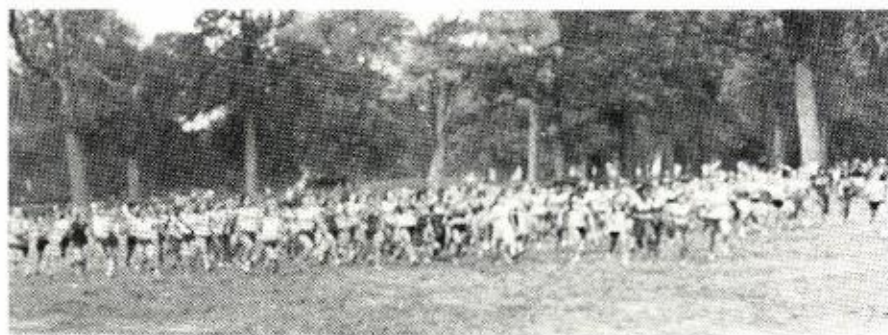

Like the boys, the girls—for the third straight year—reigned over a tough competitive field as regional champions. In the past five years the boys' and girls' Cross Country teams have won a total of seven regional titles and two regional runner-ups. The girls also won the First Annual Southern Trojan Invitational. They came in eighth place out of a field of fifty-one teams and had six wins and one loss in dual meet competition. Special congratulations go to sophomore Roni Beavin for her individual regional win.

"Where's the starting line?"

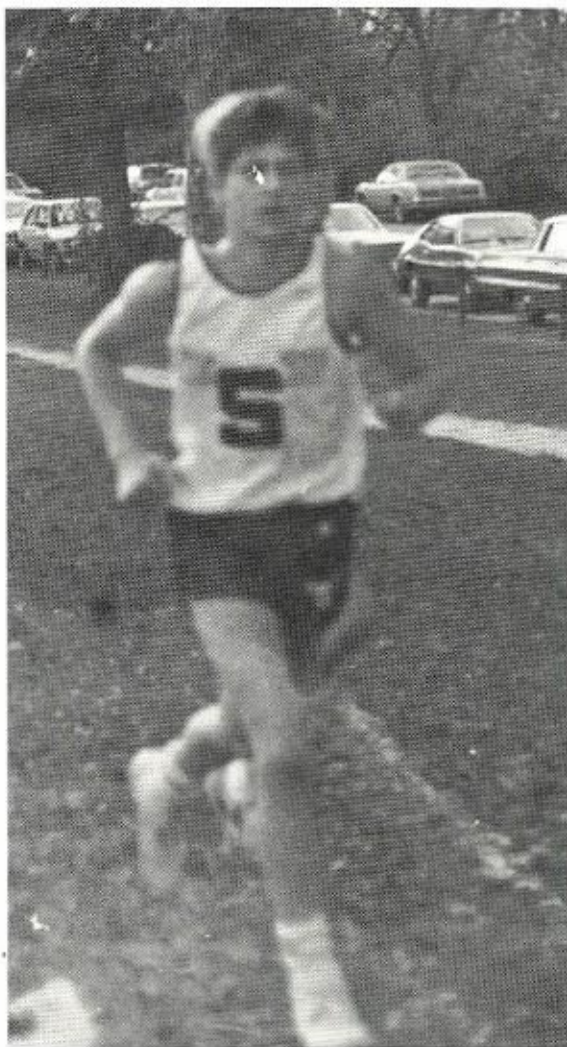

The boys' team overcame some key injuries to post another successful season. They won all of their dual meets and finished very respectably in the State Invitational. They were able to win the First Southern Trojan Invitational Cross Country Meet by defeating eight other schools. The highlight of the boys' season came when they captured the regional title for the third straight year. Individual standout, Barry White, won the regional individual title and also became the second Southern runner to win the Trinity Invitational. Barry also won the Lexington Catholic, Shelbyville and Southern Invitionals.

The thrill of victory was a feeling well known to Southern football players and fans alike during the 1983 season. The Trojan team brought a sense of pride and unity to our large student body through their repeated wins, as well as through their good spirit of sportsmanship when they (occasionally) lost. The Trojan victories, however, were not matters of luck. Coach Dohn's team practiced long and hard, polishing up their strategies and learning how to use teamwork and trust in each other to their advantage on the playing field. The Southern team successfully defended their second District Championship title, although they lost the Jefferson County Championship title to Trinity. Although the season's end was disappointing, Southern's football team gave their fans a very exciting and dramatic season.

THE BEST IN THE BUSINESS

Girls' Varsity and JV Basketball

We started our season with several goals in mind for a successful season. These goals were: to win at least twenty games; to do well in the L.I.T.; to win the District, Region, and State Championships.

As we go into the final month, we have reached several of our goals and the others are well in our reach. Our team has worked hard and pulled together to improve and this has resulted in our being the top rated team in the 6th Region and the 4th highest team in the state. I think our girls have gotten valuable publicity for our school in a positive way through the way they perform on and off the floor. I think our respect from the rest of Jefferson Co. is a direct tribute to our girls' performance on the court and in the classroom.

We can only hope and work hard so that the rest of our goals will be fulfilled in the next month. I appreciate the dedication of our team in fulfilling our goals.

The 1983-84 season put a lot of emphasis on youth. Twelve underclassmen were on the varsity team. The Seniors provided the needed leadership and set good examples of the type of young men we wanted in our program.

The young Trojans started out with a bang at Atherton but returned home to a learning experience from PRP. Our youth began to surface, and we had little confidence. Looking for confidence, our team rolled over North Bullitt in scoring a total of 79 points. The Trojans began to mature and find themselves by late February showing more confidence game by game.

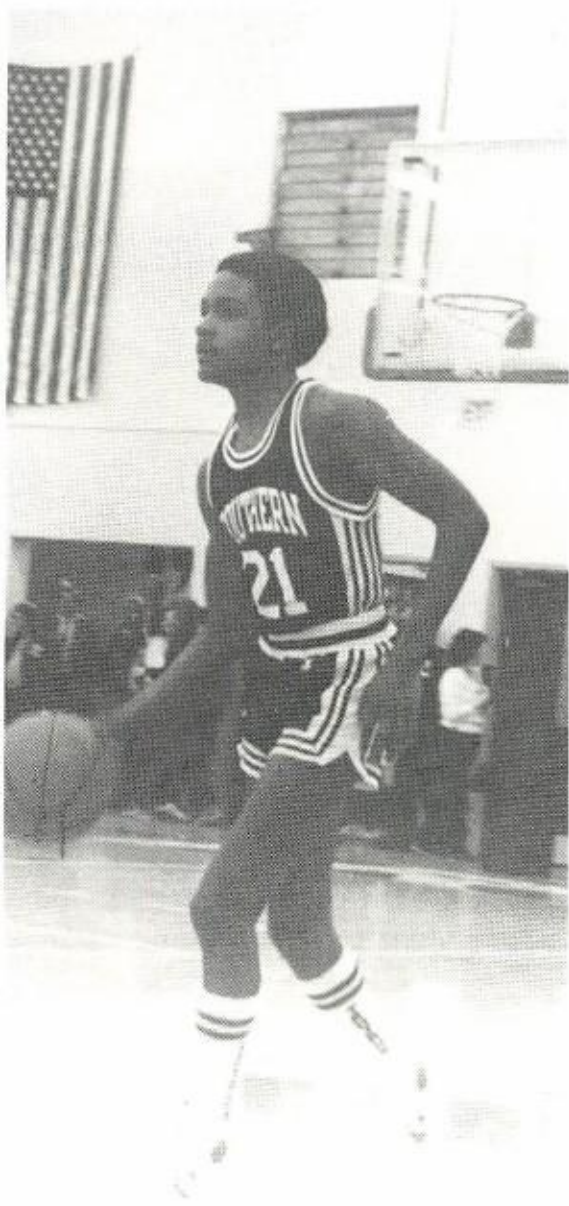

Juniors David Moutardier, David Long, Perry White, Jeff Smith, and Freshman Bill Farley provide for a bright future next season.

Seniors Steve Sandy and Jerome Hammon both were excellent examples of Christian athletes.

The 83-84 Cheerleading Squad began its season earnestly preparing for camp, which was held at UK in mid-July. The water jugs were in constant demand as this was one of the hottest summers we had had in a long time. After camp we began preparations for two upcoming competitions—the Ky. State Fair and Kings Island. Kings Island was an all-day affair. Getting cooled off in the Water Log was quite refreshing. The football season proved to be as exciting as we had hoped. In a way, it was a good thing it ended when it did; otherwise, I would have had some barefooted cheerleaders. It wasn't a very wise idea to warm the feet so close to those heaters—Nike's can only endure so much. Basketball seasons tend to wear down the best of us. Two games per night, sometimes three nights a week, were quite strenuous. One highlight was when the basketball teams acknowledged our hard work—we appreciated their appreciation. I would like to add a little on a more personal note. We've endured a lot this year. Many times we've had to adjust to our numbers, regroup and "go at it" again. I'd like to take this opportunity to thank you for your flexibility and "hang tough" attitude. At times I have depended on each of you as individuals with your own individual talents and strengths to accomplish things. As a squad we have had to learn to accept those differences and grow with them. I personally have had to "learn the ropes" of cheerleading this year. At times I felt as though I was entangled in them, but somehow everything would eventually fall in place. Our accomplishments haven't merited us any great awards, but they have been rewarding for us. Thanks for a remarkable year!

Southern held many activities which added to its rich tradition. The prom and Ring Day are examples of activities that won't soon be forgotten. Other activities, such as pep rallies and school plays added "spice" to students' everyday routines.

HOMECOMING 83'

QUEEN
April Duvall

KING
Larry McKinley

Homecoming '83 took place on Friday October 7. The game was played against the Western Warriors.

This game was different from any others due to the fact that there was an electrical fire, leading to the postponement of the game. Within the last minute of the first quarter, Southern was ahead 7-0, before the game was called off. The final score was 21-8, after the game was finished Saturday afternoon.

The candidates for Homecoming were: Michelle Kerr and Todd Ewing, Michelle Arnold and Butch Bibb, April Duvall and Phillip Creager, Kathy Klein and Troy Johnson, Ginger Rodgers and Mickey Stanton, and Lisa Love and Larry McKinley. April Duvall was chosen as queen and Larry McKinley was chosen as King.

THE ART OF MARRIAGE

On November 15, 16, and 17, the Marriage and Parenthood classes put on the annual "Mock Weddings." The students who participated were: Lisa Craig and Kevin Hale, Shelley Reece and Todd Ewing, Kim Potts and Scott Smith, Mary Ann Atwell and Randall Hodges, Mary Higginbotham and Roger Bruner, Bonnie Decker and Donnie Lay. The Mock Weddings give students a chance to experience what an actual wedding is like.

The Art of Marriage

A good marriage must be created. In the art of marriage the little things are the big things . . . It is remembering to say, "I Love You," at least once each day. It is never going to sleep angry. It is having a mutual sense of values and common objectives. It is having the capacity to forgive and forget. It is giving each other an atmosphere in which each can grow. It is a common search for the good and the beautiful. It is not only marrying the right partner: It is being the right partner.

Nine months—right now that seems like a long time to us, because we have just lived through it and the memories are still fresh in our minds and hearts. Yet, as the years pass, we shall realize that those months were merely a brief flash of work and laughter in our lives. Even though our time spent "between the bookends" was brief, it was by no means insignificant; we must never forget that.

Through our 83'-84' school year at Southern, we've experienced bad times and good times. We saw the football homecoming go up in smoke as the lights burned violently, and we saw the football team lose in the state tournament, and for some the sight of our final grades were also bad experiences. But through all of this, the good times were much more plentiful. We all had good times whether it was during pep rallies, during spirit week or just hanging out with our friends. All in all, this was one of the best chapters of our life.

Thumbing Through the Memories

As you take this book from the shelf,
Sit right down, and examine yourself.
See how you've changed as you turn the page,
Have you reached all the goals as you grew in age?

This book represents the moments of your youth,
The time that you gave and the effort you put forth.
One day you will realize you're not so young,
And soon you will wish life had just begun.

The books you disliked so long ago,
Are really the books that helped you grow.
As you read this annual and the words within,
You can see how you were and where you have been.

The people you met and the friends you have known,
May have faded away as older you've grown.
Yet between these bookends, the memories will shine;
You will remember the times you left behind.

Alphonse Cooke Jr.
